Shubham Verma
Rajkiya Engineering College

Letter of Intent ("LOI")

Dear Shubham Verma,

With reference to your interview conducted by us at BBDU, we are pleased to inform that you have been shortlisted for the position of **Analyst** and **A4** with **Capgemini Technology Services India Limited.**, (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LoI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Upon joining Capgemini,

1. You are expected to enter into an employment agreement with Capgemini which shall contain details including the scope, terms and conditions of your employment and the contractual obligation with Capgemini.
2. You will be on probation for a period of six months from your date of joining and subject to satisfactory performance your employment will be confirmed (vide written confirmation) at the end of six months.
3. During your probation you may be required to undergo classroom trainings for such duration as deemed necessary by Capgemini and your performance will be evaluated periodically during such training period.

Capgemini reserves the right to decide the continuance of your further training and your employment depending on your performance in its opinion.

The terms of this Letter of Intent shall remain confidential and are not to be disclosed to any third party.

You may note that this letter should neither be construed as an offer of employment from Capgemini nor should it in any manner confirm our intent to make you an offer of employment. We may, at any time, at our discretion, revoke this Letter of Intent.

We would request you to go through the above terms, and let us know if they are acceptable to you, within seven days of the issuance of this letter.

We look forward to hearing from you. Should you have any query, please do not hesitate to contact fresherhiring.in@capgemini.com

Thanking you,
Yours Sincerely,
For & On Behalf of Capgemini

Puneet Kumra
Head - Fresher Hiring

ANNEXURE 1

Shubham Verma

Analyst and A4

You will be under probation for six (6) months from your date of joining Capgemini. During this period, your all-inclusive annual target compensation (on a cost to company basis) will be **INR 3,00,000/- (Rupees Three Lakh only)**. **Subsequent to your successful completion of training and probation, your all-inclusive annual target compensation (on a cost to company basis) will be revised to INR 3,80,000/- (Rupees Three Lakh and Eighty Thousand only)**. Your compensation shall be paid on a monthly basis, in arrears. The Company shall deduct tax at source at the time of making payment.

For & On Behalf of Capgemini

Puneet Kumra
Head - Fresher Hiring

Sat, Sep 21, 2019 at 4:50 AM

Email not displaying correctly? [View it in your browser.](#)

Welcome & Congratulations

You are receiving this email because after carefully reviewing a large pool of applications, you have been selected to participate in the next stage of the hiring process for Oracle.

On behalf of all of us at Oracle, congratulations on this achievement.

The next stage of the application process involves completing some questionnaires and will require no more than 108 minutes to complete. These questionnaires are designed to help us get to know you better.

Instructions

1. Please use latest version of Mozilla Firefox or Google Chrome and visit the Oracle Application website at: https://oracle.proaptitude.com/oracle_login
2. On the welcome page you will be asked for your "Invite code," which is found below:

Your Unique Invite Code is **S-13F179D87**

Valid from **06:00 AM of Sep 21, 2019** through **04:00 PM of Sep 25, 2019**

(All times and dates are in IST. Please do not share your Invite Code with people who have not been invited. Your Invite Code can only be used by a single candidate.)

3. Once you have entered your Invite Code, you must then create a new account or login using an existing account and begin the application process. Please proceed by following the instructions on each subsequent screen.
4. Please note you have a maximum of 108 minutes to complete the questionnaires. This is ample time to complete this application, so please pace yourself and do your best.

You have 108 minutes to complete all questionnaires from the time you begin your first questionnaire. Any late results will not be included in your application.

All candidates who are invited to the final applicant stage will be required to take a short, in-person validation exam for security purposes.

Frequently Asked Questions

1. [Who is the Professional Aptitude Council?](#)
2. [What is an Invite Code?](#)
3. [What type of location should I use to complete this stage of the application process?](#)
4. [May I share this invite Code?](#)
5. [May I share other information from the application process?](#)
6. [Will I receive any feedback on my questionnaires?](#)
7. [What if I have technical issues?](#)
8. [What if I miss the deadline?](#)
9. [What if I have a question?](#)

1. Who is the Professional Aptitude Council?

This application process is being hosted by the Professional Aptitude Council (PAC). PAC is the authorized hiring partner of Oracle. PAC works with leading technology employers across the globe to help them find the very best people.

2. What is an Invite Code?

An Invite Code is a unique access code which gives you admission to this exclusive process and is tied to your account. **Your Unique Invite Code is S-13F179D87**

3. What type of location should I use to complete this stage of the application process?

There are two important factors in picking the best location to complete this stage of the process.

First, because this stage is required to be completed online, please pick a location which has a reliable internet connection, power source, and modern computer equipment.

Second, because this second stage is intended to get to know you better, you should pick a location which is comfortable and quiet enough so that you may relax and enjoy the process. Most candidates find this stage fun.

4. May I share this Invite Code?

Our hiring process is by invitation only and is available to a select group of applicants. Your invite code is unique and can only be used by one person. Please do not share your Invite Code with anyone else or you may be unable to access the site.

5. May I share other information from the application process?

Again, because this is an invitation-only process, please do not share any information from the process as it will invalidate your application and potentially the applications of others.

6. Will I receive any feedback on my questionnaires?

Yes. Approximately a month after this step is complete, The Professional Aptitude Council will send you feedback on your questionnaires.

7. What if I have technical or other issues?

If you have technical issues, please contact the Professional Aptitude Council immediately at support@pacreception.com

8. What if I miss the deadline?

To be fair to all candidates, we cannot offer exceptions to the deadline. Please be sure to leave yourself plenty of time to complete this stage and to allow for delays or complications.

9. What if I have a question?

A team of experts is available to help you with any questions or issues you may have. Please email PAC at support@pacreception.com.

PAC exists to help you get the very best job, so it will be their pleasure and honor to assist you.

VERY IMPORTANT: Your Invite Code is valid from 06:00 AM of Sep 21, 2019 through 04:00 PM of Sep 25, 2019.

All times and dates are in IST.

PAC India • L-29, 2nd Floor, 2nd 'A' Main, 14th Cross, 6th sector, HSR Layout, Bangalore-560102 India

Sun, Oct 27, 2019 at 2:20 PM

Shubham Verma,

Congratulations on reaching the next step in IBM's hiring process! During this step, you will be asked to complete ONE or MORE of the following assessments so that we can learn more about you. Before you start the assessment process, however, we also want to learn if you have a disability and need an accommodation or adjustment to successfully complete these assessments.

Click the link below to let us know whether or not we can assist you with an adjustment for any of these assessments.

[Accommodation Form](#)

Cognitive Ability Assessment – helps us to understand how you learn, make decisions, and solve problems. You will encounter a series of 5 interactive games presenting you with text, numbers and shapes that you will need to read and manipulate to solve problems.

Personality Assessment – helps us understand your motivation and interests. All content is text based and you will be presented with a series of statements where you must decide which one best describes you.
